

How do I get credit for CLEP?

When you take a CLEP exam, you can select the institution that should receive your scores. Select **University of Wisconsin-Platteville** to have your scores sent here. An official score report will automatically be forwarded to the school. You will also receive an unofficial copy of your score for your records immediately after the examination (except for English Composition with Essay).

If you do not indicate where you would like your score sent on the day of the test, you can always request a transcript at a later time for a fee. Just submit the Transcript Request Form—it's available on the CLEP website, www.collegeboard.com/clep.

What should I bring on exam day?

Please bring two forms of identification to the test center. **Your primary ID must include your photo and signature; e.g. a driver's license or passport.** Your secondary ID must have a signature and/or photo; e.g. a social security card or student ID card. Note: Student/college ID cards are acceptable only as a secondary form of ID. Cell phones, calculators, PDAs of any kind, beepers, alarm watches, books, papers, and food are not allowed in the testing room. A calculator is provided if your exam requires you to use one. Each exam lasts approximately two hours. Please plan accordingly. Candidates with disabilities who require accommodations must make arrangements well in advance of the test date.
