

WELCOME CAMPERS

I would like to welcome all of you to our Pioneer baseball camp! We are very excited to be hosting a four day camp this winter and are looking forward to helping you become the best possible baseball player that you can be.

The Pioneer baseball camp is designed to help you improve your game from both a physical and mental aspect. We will work on all aspects of your game from fundamentals of hitting to pitching. Our coaches and players are excited about the opportunity to work with each camper and will make sure everyone gets the full camp experience.

Again, I would like to take this opportunity to thank you for participating in this year's camp and we can't wait to meet you!

Yours in baseball,
