

Shoot a  
**Three**  
for  
**Bri**

UW-Platteville basketball player Brianna Klaas is facing her toughest opponent: cancer. The **sophomore from Lancaster** is currently undergoing treatments to battle this disease. You can join our team and help her and others in the fight. Pledge money for every three-point shot her Pioneer teammates make during the year, and that money will be donated to the Grant County Cancer Coalition.

(Last year, the Pioneers made 127).

**Join the cause. Join the team. Shoot a Three for Bri.**
