Effective advising encourages students to become self-sufficient in making decisions and solving problems as they complete their college education.

Effective advising results in students who can...

…Enroll in courses in an appropriate sequence to complete their academic program in a timely manner.

So… What classes do I need to graduate?
Degree Requirements
120 credits (minimum) to graduate

Core = 49-60 credits
Major = 36 credits (minimum)
Minor = 24 credits (minimum)
Emphasis = 15-18 credits
3000-level or higher = 42 credits
Writing Emphasis = 6 credits

Full-time = 12-18 credits
Average load = 15-16 credits
15 credits x 8 semesters = 120 (to graduate in 4 years for most majors)

Degree Requirements

This seems like a lot to remember.
No worries! It’s all in the catalog. Check the handout for the website. Or you could ask your advisor.

I’m hungry.

Effective advising also results in students who can…
...Satisfy the graduation requirements for Core Education and for their academic program(s)

Effective advising also results in students who can…
...Satisfy the graduation requirements for Core Education and for their academic program(s)
Time for a quick review…
- What is a discipline?
- What’s the minimum number of credits needed for the Core Curriculum?
- “What do I do if I can’t remember all of this?”

Check the catalog! It’s full of useful information.

I think I’ll just look at this pretty picture and remain uninformed.

Effective advising results in students who can…
Make appropriate educational and career decisions.

What happens today?

I’m so glad I picked this class during NSR!

What happens in the future?

- I need to remember to meet with my advisor.
- Next semester I am studying abroad.
- I just joined the Phi Eta Sigma honor society.
- I have an internship this summer.
- Next semester I am studying abroad.
- I just joined the Phi Eta Sigma honor society.
- I have an internship this summer.

Use tools and resources that support efficient academic planning, scheduling and registration.

Tools? Like shovels?

Sigh...

The Registrar’s presentation will show you the tools you will use TODAY to register!

Aim high for a great semester!
