May 7, 2007

[These minutes are reconstructed, based on notes from the meeting and subsequent funding recommendations.]

- Committee Members: Mohaninder Gill, Peter Hadorn, Annie Kinwa-Musinga, Tom LoGuidice, Amanda Trewin, Carlos Wiley, Qi Yang, and Shane Drefcinski (ex officio).

- The Committee discussed the applications for the Assessment Activity Fund. The AOC recommended that the following proposals receive funding:
  1. “Diversity in MSE” (Bromley)
  2. “Math Skills” (Boyles)
  3. “Minority Satisfaction at UWP” (Huebschman et al.)
  4. “QUIP Study Abroad” (Anderson)
  5. “Impact on International Exchange” (Olson et al.)
  6. “Student Success in College” (LoGuidice)

- Boyles later refused to accept the conditions on the funding and so declined the funds.

Respectfully submitted,
Shane Drefcinski
