Assessment Oversight Committee Meeting
May 14, 2012

Present: Dominic Barraclough, Shane Drefcinski, Eric Farrell, Art Ranney, and Steve Yunck

Minutes taken by Shane Drefcinski

I. Minutes from the AOC April 23 meeting were approved.

II. Announcements
Barraclough shared the revised Student Affairs learning and development goals and learning outcomes. The “Columns of Learning and Development” highlights six goals/pillars: critical and reflective thinking, interpersonal development, practical competence, inclusivity, intrapersonal development, and civic engagement & life-long learning. Barraclough also shared the template that student affairs areas will use for assessing achievement of these goals and their subalternate learning outcomes.

III. AOC Summary of Computer Science
This item was overlooked by the chair and so was not discussed.

IV. AAF Funding
The AOC discussed and recommended to fund the following proposals, in order of priority:
1. Amanda Tucker's "Empathy Gains in the General Education Literature Classroom" ($3000),
2. Keith Thompson and Dawn Freese's "Implementing Non-Cognitive Assessment Measures within the STEM Scholars Program" ($3000),
4. Yuanyuan Hu and Daniel Leitch's "The MSEE China Program: Past, Present and Future" ($3000),
5. Krahn and Uhrig's "Learning Outcomes Assessment for Education Abroad" ($1680), and
6. Irfan Ul-haq's "Learning about Student Behavior in Math Classes" ($3000).

V. Meeting Adjourned.
