Please be on the lookout for sign-up sheets, which will be posted in mid-November near the entrance of your child's classroom door.

Parent Lunch
On Tuesday, November 18, the Center will be hosting a Parent Lunch. If you would like to join your child for a pizza lunch please sign up on the sign-up sheets, which will be posted next week near the entrance to your child's classroom. I will need to let our food vendor know how many people will be attending, so please sign up by Wednesday, November 11. This lunch is just our way of saying “Thank You” for all you do as a parent.

Campbell’s Soup Labels
You may or may not know that we are collecting Campbell’s Soup Labels. By collecting these we are able to receive FREE supplies for the Center. If you are interested in helping us please deposit your labels in the bucket on the counter by the sign in/out computers. And by the way... it's not just soup labels. There are other products that are represented too. Please see e-mail attachment for more information.

Children's Center Recycling!
The Children's Center is asking you to help us make the earth a cleaner place by participating in a couple of recycling programs. We are recycling aluminum cans and printer ink cartridges. Receptacles for these items are in the entryway.

If you would like to recycle your aluminum cans, please rinse them out before depositing them and please do not smash them. Thanks so much!

Proceeds from both of these programs go towards the purchasing of new toys or are deposited into our account and will be used later for larger projects. Every little bit helps.

Scholastic Book Orders
Book orders were placed in your child’s mailboxes last week. If you would like to order books through the book order, please do so by Friday, November 14. You may access the Scholastic website and order books through there as well. The website is scholastic.com/readingclub. The class code is HT3KY. Please let me know if you have questions about this.

Note: This is a voluntary activity.

Reminders...
😊 Please make sure you are sending warm jackets to school with your child EVERYDAY! Unless it is raining we will be going outside.

😊 Please check your child's mailbox on a regular basis. There are often important notes or forms that need to be filled out in a timely manner. Also priceless pieces of artwork your child has created.
