Sports
Sports (i.e., ball throwing, running, jump roping, etc.) are not allowed in the building. Group activities that require an open space can utilize the exterior features of the Cooper Living and Learning Center away from windows, or may choose other options such as Pioneer Farm's Education Center Arena or the university’s Pioneer Activity Center.

Blood Borne Pathogen Cleanup
If staff must clean vomit, blood, urine, etc., a minimum fee of $50 will be assessed to the guest. Particular equipment must be used in cleaning up of blood-borne pathogens. Damages will be assessed.

Suite Entry
Authorized personnel may enter a room for reasons of health, safety, general welfare, or to make necessary repairs to the room and/or room equipment. Insofar as possible, advance notification will be given. No room will be searched except by appropriate legal agencies with a warrant or with permission, or as noted below. However, in case of emergency circumstances, authority to enter or search without a warrant may be granted in written form by the Chancellor or designee. This action will only be taken when circumstances warrant immediate intervention as a means of protecting the safety and welfare of persons or property. The university as landlord retains the right to enter rooms for maintenance purposes. Maintenance requests will be considered to be permission to enter. In such cases, no notification of entry will be given. For purposes of health and sanitation inspection, a 24-hour written notification will be given to guests. Guests should be aware that Cooper Living and Learning Center staff might enter a room to turn off an annoying alarm, an unattended stereo, or to close a window. In cases of this sort, as well as life-threatening emergencies, at least one guest or staff member will accompany the staff member when possible.

Energy Conservation
In order for us to continue to offer our current rates, please consider the following efforts to help keep energy costs at a minimum: turning off TV, stereo, faucet, and lights before leaving a room; keeping windows and doors closed.

Programming/Activities
The university offers many programming and activity opportunities. Please inquire when making a reservation.
