WHEREAS, The University of Wisconsin-Platteville Student Senate recognizes the current classroom setting of “flipped classrooms”; and

WHEREAS, the principle of a “flipped classroom” is guided work during class, and instruction from the professor at home, including, but not limited to audio lectures, videos, readings, etc.; and

WHEREAS, the students have the right to have the concept of a “flipped classroom” explained on PASS so they may make an informed decision on selecting their courses; and

WHEREAS, the professors should be held accountable to diversify online instruction techniques; and

BE IT RESOLVED, University of Wisconsin – Platteville Student Senate recommends the creation of a policy for the flipped classroom program;

BE IT FINALLY RESOLVED, that upon endorsement, President Sigwarth transmit a copy of this bill to the University of Wisconsin-Platteville Faculty Senate.
