Announcements –

1. Reminder – the Admission to Graduate Faculty Subcommittee will be meeting Thursday, January 27, 2011 in 2007 Ullsvik Hall, 2:30 p.m. – 3:00 p.m. – all members of the Graduate Council are invited to participate.

Agenda –

1. Approval of the minutes from the November 18, 2010 (Item moved from the December 16, 2010 agenda) and the December 16, 2010 meeting.

2. Second reading - changing the requirement for 7000-level courses from a minimum of 21 credits to a minimum of 20 credits – Rob Hasker.  Item moved from the December 16, 2010 agenda.

   From the November 18, 2010 Graduate Council minutes: “Rob Hasker presented rationale for allowing 20 credits at the 7000 level or above instead of 21.  The council discussed potential impacts on other programs.  Consensus was to treat this as a first reading of the proposal.”

   Proposed Updated Article IV, Section 1a –
   (Note: proposed change is to the first sentence)
   a. Full membership.  All tenured faculty and tenure-track faculty with at least three years of teaching experience with UW-Platteville, who have an appropriate terminal degree with the academic rank of assistant professor or above, may be granted graduate faculty status upon recommendation from the graduate program to the Graduate Council.  Once granted, full membership is maintained through teaching at the graduate level and/or overseeing graduate student activities or graduate programs.  Full members of the Graduate Faculty may oversee the processes for assessing theses, seminar papers, graduate projects, and/or oral exams.  Full members may teach graduate level courses and advise graduate students.  Full members may serve on the Graduate Council.

   Proposed Updated Article IV, Section 1c –
   (Note: proposed change is the addition of the last sentence)
   c. Provisional membership.  Upon recommendation from a graduate program, provisional status may be granted to instructional academic staff or individuals external to the UW-Platteville community who have at least a master’s degree.  Such persons are expected to contribute to the university’s graduate programs through specialized instruction, clinical supervision, or contribution of professional expertise and knowledge.  Provisional members may serve on thesis, seminar paper, graduate project, or oral examination committees only when the committee also consists of at least one full member or associate member.  Provisional membership will be reviewed annually and is intended to be temporary.  At the discretion of the Graduate Council, provisional members with prior graduate teaching experience for UW-Platteville may be granted provisional membership for three years.

   History –
   From the September 30, 2010 Graduate Council meeting minutes –
12. Review of the By-laws relating to Graduate Faculty membership – David Van Buren. David Van Buren asked for three volunteers for a subcommittee to review the criteria for admission to the Graduate Faculty. He went on to reflect on the time and energy that goes into reviewing provisional membership every year. He wondered if maybe that approval could be extended to two or three years. Lisa Riedle, Rob Hasker, Cheryl Banachowski-Fuller, Karen Stinson and Christine Storlie volunteered to serve on the subcommittee.

From the October 21, 2010 Graduate Council meeting minutes –
4. Report - By-laws relating to Graduate Faculty membership subcommittee – Cheryl Banachowski-Fuller. Subcommittee recommendation for change: By-Law, Section 1: Graduate Faculty Composition, C. Provisional Membership: C. Provisional Membership…(last line change) Provisional membership will be reviewed every 3 years with the expectation that the candidate show professional development in a relevant area. Cheryl Banachowski-Fuller reported for the subcommittee. Rob Hasker suggested that the council not vote on the wording change until David Van Buren could be present. Discussion ensued and it was decided to wait until a future meeting for a vote to be taken. Scott Ringgenberg questioned who would determine if the faculty member has met requirements for “professional development in a relevant area”? Discussion ensued and it was suggested that it should be evident in an updated resume what development they had accomplished. Future discussion was held regarding possible changes needed in the graduate faculty approval form. It was suggested that perhaps a check box on the form indicating that the professional development had been evaluated and determined adequate by the department. Or perhaps a box should be included on the form where a short explanation of the development could be listed. Discussion ensued. Patricia Bromley mentioned that this new change could cause a recordkeeping nightmare for the School of Graduate Studies having to check the approval of each faculty member on a course by course basis. Maybe the change would not be a good idea. Discussion ensued and it was decided that the subcommittee will continue and report at the November meeting.

From the November 18, 2010 Graduate Council meeting minutes –

workgroup folder. David Van Buren presented proposed changes. Pat Bromley asked if 3 years of experience for full membership could be sufficient even for a part time person. The response was that it would be. A revised graduate faculty approval form was also presented for consideration. A recommendation was made to change “Distance Learning Center” to “Distance Education” on the form. On Article IV, section 1c, it was decided to change the “for” to “with” in “All tenured faculty and tenure-track faculty with at least three years of experience on the for UW-Platteville”. Christine Storlie suggested requiring three years teaching experience, and after discussion the consensus was to amend the statement to “All tenured faculty and tenure-track faculty with at least three years of teaching experience with UW-Platteville”. This change was approved on a motion by Pat Bromley and seconded by Lisa Riedle. The ammendments to the bylaws will be voted upon at a later meeting.
