AODA Advisory Committee

Minutes

February 10, 2009

Present: Amy Parsons, Roger Meyer, Kim Tuescher, Dominic Barraclough, Theron Parsons, Mu-Ling Chang, Stormy Stipe

- Amy Parsons called the meeting to order at 9:00 A.M.
- Minutes of the November 18, 2008 were approved
- Roger Meyer reported that the UW-System AODA survey will go out to 2000 randomly selected UW-Platteville students during the last week of February.
- The committee continued to examine the Policy Review document. Roger Meyer volunteered to pull out items that UW-Platteville does not have that currently the majority of system schools do have in their AODA policies. The intent will be to further discuss these items at our next meeting and then to suggest additions to current policy. Dominic Barraclough reinforced procedures for making changes to include approval from faculty senate.
- Dominic Barraclough brought forth current two documents (Standards of Conduct and University Sanctions Concerning Drugs and Alcohol and task of the Alcohol and Drug Advisory Committee) from the faculty handbook for the purpose of revising to match current practice and/or to reinforce action.
- Discussion of language in these documents followed. One point of emphasis was the annual distribution of policy to students, faculty and staff. It was agreed that Amy Parsons would follow up with Kate Kelley and Rich Egley to determine if this is currently being done and if not, how distribution would be accomplished.
- The committee members agreed to study and suggest revisions to the document articulating duties of the AODA advisory committee. Dominic Barraclough agreed to have members email him with suggested revisions.
- Announcement: Roger Meyer announced the 2009 UW System on Alcohol and other Drug Abuse Prevention. He will forward the electronic copy to Amy Parsons to distribute to committee members.
- Next meeting scheduled for Tuesday, March 10, 9:00 in Room 409 Warner
