Alcohol and Drug Advisory Committee

Minutes

March 10, 2009

Present: Amy Parsons, Roger Meyer, Mu-Ling Chang

- Minutes of February 10 meeting approved
- Announcements: Discussion of Pioneer Passage, and whether or not to include the WCASA fact sheets on sexual assault and alcohol in material for students. Suggestion that the Women’s Center might already have a budget for printing material. Tammie Van Nolte in Housing should be contacted before taking action to see if this information is distributed during orientation there.
- Update on AODA Survey (Roger Meyer): 18,000 have been sent out/3100 have been completed (about 17%) system wide. At UWP, 1420 have been distributed, 255 completed. The survey is still open.
- Update on campus prevention and education activities (Roger Meyer): There were six participants in the Safe Spring Break Party Challenge, and there will be a prevention and education table at the Wellness Fair.
- Continued discussion of the Graduation Policy language. Should we show the UUCC what the language in the policy says, and ask what our role is? Also, is there a policy for the whole weekend (both on and off campus activities, or is the language just for the ceremony itself?
- Update on UWP compliance with The Drug Free Schools and Communities Act (Amy Parsons): Rich Egley distributes policy access to student body, and Kate Kelley in Human Resources distributes policy to employees.
- Roger Meyer distributed information from Campus Policy review that shows alcohol and drug policies in most other UW campuses Policies that Platteville does not have and could consider including in future policies.
- Next meeting scheduled for April 14, 9-10 in Warner 409
