Academic Standards Committee
27 October 2010
2007 Ullsvik Hall

MINUTES

In attendance: Kevin Haertzen, Mike Dalecki, Phil Sealy, Jeff Huebschman, David Krugler, Irfan Ul-Hag, Dave Van Buren, Mark Albers, Roxane Gunser, Shane Drefcinski.
Guests: Angela Udelhofen, Rich Egley

1. Minutes approved from 13 October 2010 meeting. Motioned by Sealy, seconded by Haertzen, unanimously approved.
2. Report from Angela Udelhofen on admission numbers. 1515 new freshmen enrolled in Fall 2010; 7315 total on campus students; TSI numbers 304. For this year, we presently have 125 total applications received from minority students, which is 40% up from 2010. Approximately 73% of new admits were in the top 50% of their class.
3. Impromptu report from Dalecki on student housing issues and the chancellor’s proposal at the City Council.
4. Drefcinski reports that he talked with Provost Nimmocks about dropping General Education review from the duties of this committee. She was open to that idea, but our committee would need to revise our committee obligations and propose that to faculty senate for approval if we decide to go that route.
5. Brief report to Egley about the newly proposed “Academic Misconduct” proposal. Discussion to be continued next time.

Meeting adjourned at 5:01 pm.
