Campus Planning Commission  
Draft Minutes: April 23, 2008

Members present: Todd Duwe, Clyde Holverson, Tom Hunt, Justin Kile, Tom LoGuidice, James Swenson, Kory Wein, Scott White, Richard Zach.

1. The meeting was called to order at 11:02 A.M.

2. The minutes of the March 26 meeting were amended and approved.

3. Hunt displayed a campus trail map that is currently available as a brochure, as well as a draft trail map that is expected to be used in kiosks on the trail system. CPC discussed kiosk placement as well as the map itself. Potential users might include campers participating in Wellspring. Future projects might include installing more kiosks; installing swings or other seating along the trail system, and/or renovating the Par Course.

4. White reported on Environmental Impact Committee (EIC) action.
   - The (EIC) drafted a letter highlighting the issue of mud runoff at construction sites, and suggesting mitigation strategies.
   - The footbridge between Southwest Hall and Glenview Commons, but EIC did not recognize any design problems. Hunt specified some concerns which could potentially be resolved by a senior design class project.

5. CPC considered the idea of a centralized campus-planning website. Hunt suggested that CPC might eventually form a working committee to design and maintain the site. White and Wein will consider what content the site might include. It was noted that a campus-planning survey could be circulated using a service like SurveyMonkey.com, independent of a campus-planning website.

6. LoGuidice advertised an event at the Patricia A. Doyle Women’s Center on the topic of safety and security, to be held on April 24.

7. Duwe reported on pre-construction meetings for the Glenview Commons construction project, which will begin construction on or about May 1, 2008. A site plan was distributed. The following new details of the project were noted:
   - Certain access ramps will be adjusted.
   - A unisex bathroom will be added.
   - Fire lane access will be required around the building.

8. The next meeting was scheduled for 11:00 A.M. on Wednesday, May 7.

9. The meeting adjourned at 12:05 P.M.

Respectfully submitted,

James Swenson
