309 Pioneer Tower

Agenda

1. Secretary for today: Jason Thrun (*Adam Stanley is on deck*)

3. Old Business:

   Last year, the committee passed the motion “After 30 credits completed, a student will be restricted to only 12 credits in all subsequent semesters until all remedial courses are passed”. It is unclear if this motion went to Faculty Senate and Student Senate yet. Beth Frieders will look into this more.

4. David Kieckhafer
   a. Change to incomplete time limit
   b. Change to Academic Standing
   c. Discussion on Repeat Policy
   d. Update from emails about PINs

5. Web page updates
   a. Content stewards are working on updating various areas
   b. Should be easier to get changes made (and sooner!) but we may have to wait until Feb. or later to get our agendas/minutes up

6. Next meeting(s)
   a. Same day and time for next semester?
   b. February 1st or February 8th

(get a shared drive! Get student & academic senate! Put the repeat policy discussion on the next meeting and an update from Joe(?) about the motions that went to faculty senate…reminder that 1.0 limit for academic standing should go to academic appeals)
