159 Pioneer Tower

Agenda

1. Secretary for today: Joan Riedle (Adam Stanley is on deck)

2. Approval of minutes from December 7, 2011

3. Old Business:
   a. Two motions sent forward from this committee to Faculty Senate on December 14, 2011 passed.
   b. Repeat Policy – update?

4. Melissa Gormley – Guest from Faculty Senate

   In our meeting on Feb 14, the Faculty Senate began discussion on the following motion regarding the UW-Platteville policy on academic standing: "In the first 0 to 18 credits of coursework, a student with a GPA less than 1.0 is subject to dismissal, a student with a GPA of 1.0 or greater but less than 1.6 will be placed on first probation, and a student with a GPA of 1.6 or greater but less than 2.0 will be declared "at risk" but in "good academic standing."

   Before the motion was voted on, it was moved to send it to your committee for your advice and recommendation. One of the issues is that some Senators wanted to remove the phrase "in good academic standing" entirely, but wondered if it might disqualify a student for financial aid.

5. Other Business?
