MINUTES
REGISTRATION COMMITTEE
APRIL 30, 2010

Members present: Beth Frieders, Rob Hasker, Kari Hill, Dave Kieckhafer, Chuck Steiner, Tony Thomas, Sheryl Wills, Joanne Wilson

1) The meeting was called to order at 1:00 p.m. in Room 447, Gardner Hall.

2) The minutes of March 26, 2010 were approved as distributed.

3) Course Repeat Policy
   a) The Academic Standards Committee has recommended that after two full semesters (12 credits each) all grades count in a student’s GPA. It was pointed out that there is a loophole in this recommendation as a student could continue to take less than full semesters indefinitely.
   b) A draft of a repeat policy drafted by Ben Collins on April 24, 2010 was distributed. After some discussion, it was decided that deleting the first two sentences of this policy would be a good idea. Also, it was pointed out that this policy might be difficult for the Office of the Registrar to implement.
   c) UW–Whitewater’s plan was distributed. It was pointed out that this plan might be easier to implement as UW–Whitewater has the PeopleSoft code to do so.
   d) A broad discussion of the feasibility of implementing course repeat policies followed.

4) Academic Advising Report
   a) Advisors seem to be dissatisfied with this report as it is difficult to use and interpret.
   b) Kieckhafer mentioned that there is an improved advising report using html format, and this advising report is very easy to use. In fact, this is already on campus and only needs to be installed. However, the Office of Information Technology feels this will be an undue drain of the servers.
