3:30 p.m. -- Warner 120

Present: Kathleen Tigerman, Carlos Wiley, Rita Rukashaza, Zakiya Catlin
Guest: L. Jean Daniels
Absent: Patrick Hagen, Lang Wah Lee, La Tisha Snelling

The council discussed the continuing problems of diversity issues not being addressed by many instructors. Carlos agreed to request of each dean that he be allowed to make a presentation at one of their semi-monthly college meetings of department chairs. There he would present the problem and talk about a change to the DRB review criteria to include the addressing of diversity issues.

The Council members discussed the possibility of a diversity training session each semester in each college, as well as other offices such as Student Affairs, Dining Services, etc. This will be discussed further.

Rita Rukashaza agreed to be the chair of the Council.

The next meeting will be in approximately a month.
