2. Announcements
   No announcements

3. Old Business
   a. The name change for this council, as well as the change in duties has been approved by the senates and Rita said she would send the new name/duties/council membership to Liz Schaal to have changed on the website.
   b. The student leader round table video was further discussed as to implementation and use as a learning tool after it is made. It should be topic-oriented, with topics such as hate graffiti, white-privilege, or questions asked of minority groups when facing SUFAC that are not asked of other organizations. Since our duty is to forward this issue to the appropriate organization for consideration and possible action, Rita Rukashaza moved, seconded by Keith Thompson, to send a letter to Michael Viney asking him to facilitate our request to produce a training video using the student leaders in a round table discussion that would be facilitated by a campus person. Kathleen Tigerman agreed to compose the letter.

4. New Business
   All members are to send their schedule for next semester to Rita Rukashaza in order to work out a good time for meetings.

The meeting ended at 3:45.
