Sexual Assault Awareness Council
Meeting of 3/30/10

Present: Deirdre Dalsing, Marc Wruble, Vickie Dreessens, Sheila Trotter

The minutes of the meetings in February and March were reviewed. Vickie Dreessens stated that because of the retirement of Kate Kelley as the Human Resources Director, we cannot be sure what funding may be available from their office in the fall for Dr. Katz.

A graduate student is working on a flyer for the panel discussion on April 27. Tabitha Schemmel of the Riverview Center will be contacted as a possible participant.

Marc Wruble will be a participant on the panel and said he could fill in on information that other panelists may not cover.

Students Promoting Respect will also promote and panel discussion.

Some topics that Marc Wruble will cover are information that is on the web and also social networking web sites.

Contact will be made with the Platteville Police Department to check on possible participants on the panel and also with Erich Matola, Director of the Office of Information Technology.

Marc Wrubell will also discuss violence and YouTube videos. There may be a demonstration on this to further the discussion.

There was a discussion on the September presentation of Dr. Katz. The committee will need to check with Pat Foster on the dates.
