University of Wisconsin-Platteville Sexual Assault Awareness Council – Minutes
2/11/13

Present: Marc Wruble, Deirdre Dalsing, Vickie Dreessens, Rebecca Groves, Pete Reif

Guests: Derek Johnson, Student Senate Representative

Marc called meeting to order at 8:10am.

Vickie made a motion to approve the 2/4/13 minutes; motion approved.

Bystander Video Contest Preparation:

Deirdre handed out copies of the rules/guidelines for the video contest to review and revise prior to poster development.

Deirdre will be meeting with publications this week to develop poster. Vickie offered insight that often times posters may not be most effective. Group discussed all efforts we can take to market the event, including intercom, campus updates, emails to faculty, access TV, and targeting specific organizations. Agreed to go ahead with poster.

Interim Dean of Students was gone during the week, so Vickie was unable to establish funds for prizes. She was aware a writing contest used funds from the Foundation. Pete Reif agreed to contact Dennis Cooley to see if funds were available for prizes for this contest. We agreed to offer $300 for 1st, $200 for 2nd, and $100 for 3rd place winners.

Still need to clarify with Jay what PioneerLink can offer us. We want to use them as the link/site of all the necessary paperwork and further description of this event. Deirdre will work with Jay.

After some discussion we agreed to ask students to submit a dvd or flash drive of the video to Student Health Services. They will act as the clearinghouse. Students will submit all forms and video to their staff during working hours. Once everything is submitted, this council will review to make sure paperwork is completed correctly.

Pete raised the question as to whether athletes could receive prizes. He agreed to check with the Athletic Director to get clarification on that.

Deirdre shared she will be meeting today with Sarah Miller from Public Information to discuss development of poster and marketing ideas.

Other:

Vickie shared that there was some interest from First Year Experience to work with them in the fall to offer an event related to their campus read selection, Scoreboard Baby. It fits in with the
theme of this council and follows our plans to do more programming during the first six weeks of the academic year.

Deirdre reported that BJ Reed and the Teaching Excellence Center is very interested in working with us to collaborate on some events for faculty and staff during April.

Issues to address at next meeting:
- Review forms for contest
- Finalize prizes
- Finalize events/topics and set dates for April

Our next meeting: 2/18/13 at 8am in the Women’s Center

Respectfully submitted by:
Deirdre Dalsing
