2. Reviewed last year’s action items/minutes
   D. Change in purpose 5-“Campus Safety Officer (CSO)” replaced “Chancellor”
   E. Change in purpose 2-3- Instead of “Establishes” replaced with “Assists CSO to establish”
   F. Committee would be “eyes and ears” for campus in regards to hazardous waste issues
3. M. Ruane voted as chair for committee, A. Spohn voted as secretary
4. Discussed faculty senate survey:
   a. Last year’s goal for the committee was to be the eyes and ears of the campus concerning hazardous wastes and materials. Any issue would be brought to the campus Safety Officer.
   b. Primary items the committee has worked on is who to contact with any questions or concerns involving hazardous waste and materials.
   c. Nothing has been implemented in regards to this committee.
   d. It was suggested by A. Spohn that this committee be modified to incorporate laboratory and chemical safety instead of focusing on hazardous waste. The following are the proposed ideas:
      D. New Name: Laboratory Safety and Chemical Hygiene Committee
      E. Purpose: Coordinate uniformed campus wide laboratory safety and foster communication and education about lab safety and chemical hygiene.
      F. Agreed that a recommendation/request be made for this modification.
5. M. Ruane will be emailing the current committee on any updates.
6. Meeting was adjourned at 11:40 am
