Minutes of the February 12th, 2014 meeting was reviewed.

Vickie Dreessens gave the Student Health Services Report
- Cold/Flu cases are winding down on campus.
- Cases of mumps are in Wisconsin and they seem to be originating in Milwaukee.
- The 10,000 steps program has been very successful. 56 teams have registered.
- Ongoing efforts have taken place in coordinated Health Service and Southwest Hospital services in the community.
- By Stander Intervention Video is due April 21st. Students are encouraged to participate.
- April 24/25th – Vagina Monologues will be presented.

Deirdre Dalsing gave the Counseling Services Report
- The psychiatrist that has been coming to campus periodically on campus will not continue coming next fall. The Counseling Services is working with SHS to secure psychiatric coverage for next year.
- People are encouraged to check out the videos for “Stomp Out Stigma”. They are well done.
- Counseling services are still available this summer (on a limited basis).
- SANE (Sexual Assault nurse Examiner) presentations will occur April 22nd.

Brenda Sunderdance gave the Services for Students with Disabilities (SSWD) Report:
- SSWD worked with 285 registered student users in the program.
- This year they have seen an increased number of cases of learning disabilities, ADHD and autism spectrum.
- There has been a positive collaboration between the IT and SSWD programs. IT has been helping with accommodations for students.
- Possible topic to work on next fall – Create information about Student Health Services and Counseling Services that is assessable to students with disabilities.

Liz Horning gave an update on what was occurring in the Health and Human Performance Club
- April 6th – Indoor Triathlon – A good turnout for this second annual event.
- April 25th – Amazing (Urban) Race
- April 27th – Larping Tournament
- April 29th/30th – Zumba Sessions promoting Mental Health Awareness
- May 3rd – 5K Mental Health Awareness Run

Meeting adjourned at 12:30pm
