Minutes from the February 15th meeting were reviewed. Minutes will be sent to be posted Friday April 13th.

- Carol Thole and Kathy Staats gave a presentation on the SPARK initiative. This is a program directed at 18-24 year olds to prevent the use of tobacco in this age group. They will present a survey given to students that will present the idea of a tobacco free campus on UWP. The SPARK program has funds available to help aide this initiative if it is passed by whatever process is used on campus.

- Vickie Dreessens gave the Student Health Services Report
  - The Health insurance provided to students will be changing next year. The program will provide more services to the students. The cost is approximately $1,600.00 for the academic year.
  - The ACHA survey was taken by the juniors on campus. This report will be given to the committee in the fall.
  - The nurse practitioner search may have an individual who will serve in this position. There was a positive interview which took place.

- Deirdre Dalsing gave the Counseling Services Report
  - The AOD committee has been meeting to discuss the drinking culture on campus and how it can be addressed. They plan on giving a 10 minute presentation to new students at student registration.
  - The Counseling Center will have an open house on Wednesday April 18th.
  - This summer the Counseling program will look at developing services for students who have or who are being tested for Attention Deficit Disorder.

- Jon Lovett gave the Student Support Services Report:
  - Two surveys have been implemented on campus: A parking survey addressing the availability of handicapped places for students and faculty and a survey looking at the handicapped assesscibity in certain buildings on campus.

- Linda Mulroy-Bowden gave the Residence Life Report:
  - The “21 Cup” will be implemented this fall. Students turning 18 can receive a cup that has information about binge drinking.
  - The residence halls for next year are at capacity. The rooms are overbooked by 175 individuals.

- This is the last meeting of the Student Health Care Committee for the 2011 – 2012 school year.

Meeting adjourned at 12:50pm
