Agenda Items for Initial Student Health Committee
October 5th 2005
12:10pm -12:50pm
Pioneer Room
Student Union

• Minutes of last meeting
• Introductions

• Student Health Services Report – Review of the program and numbers of students that are seen, upcoming fall events (Vickie)

• Counseling Services Report - Review of the program and numbers of students that are seen, upcoming fall events (Dierdre can’t make it. Hopefully we can get a summary from someone else)

• Student Support Services - Review of the program and numbers of students that are seen, upcoming fall events (Leann)

• New Ideas?
We submitted this in the Intercom last year. Would we want to do this again?

   In addition to their regular responsibilities, the Student Health Services offer many educational opportunities for all interested individuals on the UWP campus. These opportunities range from smoking cessation and alcohol awareness classes to physical fitness activities. The Student Health Services committee is looking for suggestions for more opportunities or programs that may be offered. The committee is asking students, staff and faculty to contact ******** at ******** or email ********, if you have an idea for a new program or know of an issue you feel needs to be addressed by the Student Health Services department.

• Scheduled meetings for 2005 – 2006 School Year
   o Wednesday December 7th – 12:15 – 12:50pm
   o Wednesday February 8th - 12:15 – 12:50pm
   o Wednesday April 12th - 12:15 – 12:50pm

• Miscellaneous
Student Health Care Committee  
April 13, 2005 Meeting Minutes

Members Present: Jeremy Brandt, Dierdre Dalsing, Tim Deis, Danen Detloff, Vickie Dreessens, LeAnn Lealy, Todd Riley, and Judy Wurtzler

I. The meeting was called to order at 12:10 p.m.

II. The minutes of the March 2\textsuperscript{nd} meeting were approved.

III. Vickie updated the committee on the Student Health Services budget. The budget will change slightly, with the Psychiatric fees increasing from $86 to $90. SUFAC recognizes that there may be a future need for increased mental health services.

IV. Student Health Services user survey: Vickie distributed copies of the survey results. Student learning outcomes were incorporated into this year’s survey. There was a small increase in the number of uninsured students. Vickie stated that the SHS staff hopes to develop additional health and wellness programs to address survey comments.

V. National Collegiate Health Assessment online survey: Platteville had an 80% response rate, possibly due to the two $500 prizes that were offered. Vickie does not know when the survey results will be available.

VI. Suggestions for new programs for Student Health Services: Tim Deis will check on the status of the orthopedic rehabilitation services and food substitutions in the Student Center. The suggestion for a wellness program for faculty and staff, including exercise and nutrition might be addressed in part by Continuing Education offerings. A new exercise course was recently announced and might address student requests for unique physical fitness classes.

VII. Upcoming Events:

A. Sexual assault awareness month activities
   1. April 19 and 26 sessions “You’ve heard about the date rape drugs in Platteville, now find out what is really happening?” presented by Sgt. Scott Marquardt.
   2. April 21, 12-1 Women’s Center “What do I do now?” Deirdre Dalsing, Dixie Clifton.
   3. There will be awareness booths at the PSC with general information packets.

B. Smoking cessation classes: one person came to the class. Vickie noted that survey results indicate that 22-28% of students smoke.

VIII. The next meeting is scheduled for May 4, 2005 at noon in the Pioneer Room of the Pioneer Student Center.

Respectfully submitted by
Judy Wurtzler
