10. The next scheduled meeting is February 8th 2005.
I. Meeting called to order at 12:15 p.m.

II. Introductions were made

III. Student Health Services Report (Vickie Dreessens):
   A. Vickie provided a brief overview of the services offered to students.
   B. The Student Health Services annual report can be found on the Internet.
   C. Family Planning Waiver Program is a new program offered to female students for support to prevent unwanted pregnancies.
   D. One case of Whooping Cough has been reported in the dorms with no real issues involved.
   E. Meningitis shots are being offered to students. Students need to sign up for the shots and are put on a waiting list until the vaccine becomes available.
   F. The Health Services staff will be attending the National College Health Services Association meeting in the Twin Cities.
   G. Important Dates
      October – Breast Cancer Month
      November – Smoking Cessation Month
      1. Oct. 15th – Oct. 22nd – Alcohol Awareness Week
      2. Oct. 19th Dr. Todd Riley will give a talk on Breast Cancer.
      3. Nov. 1st – Sarah Weddington will give a presentation. She testified in the Roe vs. Wade trial.
      4. Nov. 13th – David Leo will give a talk on Hate.

IV. Mary Lenzi suggests that Risk Management for the campus is contacted to determine how prepared the university is for an unthinkable event. Tim Deis will find who to ask of the campus’ Emergency Response Plan and whether the plan is updated.

V. Counseling Services Report (Vickie Dressen for Deirdre Dalsing)
   A. The Counseling services are making good use of the psychiatrist who comes on campus every other week.
   B. A needs assessment survey will be handed out to faculty to inform counseling of special needs of the students.
   C. Oct. 6th – National Depression Screening day – Free test will be administered to students.

VI. Student Support Services (LeAnn Leahy)
   A. Description of the new process involving alternative testing for students with disabilities. This service has grown in use in the past few years from 150 students/year to 500 students/year.
   B. On going work is taking place to get books on tape for visually impaired students.
   C. This year there are currently 163 students who have been recorded as having a disability on campus.
   D. Mary Lenzi suggests having students with disabilities form a support group.

VII. Tim Deis will submit a question to the Intercom asking for ideas for the Health Services department.

VIII. Next scheduled meeting is for Wednesday December 7th in the Pioneer Room from 12:15pm – 1:00pm.

Submitted by Tim Deis
