1. Approved minutes from December 13th, 2006 meeting.
2. Vickie Dreessens reviews the Student Health Services User survey with the committee.
3. Vickie Dreessens announces that the National College Health Association survey will be given at the beginning of March. The survey requires approximately 30 minutes of time to complete. As a means to get students to complete the survey, a lottery system will be used to award 4 survey participants $250.00.
4. Vickie Dreessens announces Oral HIV testing is now available to students. The test is cheaper than a blood test and requires less time to get the results.
5. Vickie Dreessens reported that the Wisconsin University System is addressing what will occur should a pandemic occur in the state.
6. Curt Fatzinger followed-up with the PAC dress code in the weight room. A compromise on what participants in the weightroom wear was reached. This compromise will occur from February 5th – March 25th. The compromise allows participants to roll up their sleeves to their shoulder or they can wear seamed sleeveless t-shirts. Kurt, Vickie and Todd will address the Student Senate at the end of March or beginning of April on this issue.
7. Upcoming events

   February 24th – Live It Up – Wellness program open to the public

   February 26th – Eating Disorders - Brown Bag Lunch

   March 6th – Wellness Fair will run from 10-2 in the Student Union University North and South rooms.

   April Sexual Assault Awareness month

8. Leann Leahy reported on what was occurring in Student Support Services: More students are enrolling in the program and software is available to help visually impaired students to read their text.
9. The next scheduled meeting is April 4th, 2007.

Meeting was adjourned at 1:00pm.

Minutes submitted by Tim Deis.
