Minutes of Student Health Committee
April 9, 2008
12:05pm -12:50pm
Mining Room
Student Union

Guest: Jim Mueller

1. Jim Mueller discussed with the committee the budget for Student Health Care services and answered questions from the committee. The budget is balanced but that is due to the Family Waiver Plan which may or may not be funded year to year.

2. Jennifer Mason reported on her efforts with the Yellow Ribbon campaign.

3. Leann Leahy reported on the Student Support services. She reported that there are 233 active students in the program now and the university is expecting 95 more students that are new incoming this fall. Students asking for books on tape have reached 143 requests. Leann is going to a meeting that will discuss the issue of having editors make books on tape available for students with disabilities. She also reported that the website for the program is being updated.

   Leann also reported on the Access Ed program. It is a program that looks at the university and what changes need to take place to make it assessable to disabled students.

4. Announcements
   a. Deirdre Dalsing reported that the student athletes on campus have been helpful in promoting April as the Sexual Awareness Month. Teams are wearing white tape and students are handing out white rubber bands to promote the event.
   b. Linda Mulroy-Bowden reported that Michael Dormitz will be on campus on April 28th talking about Sexual Awareness month.
