Members Present: Deirdre Dalsing, Tim Deis, Vickie Dreessens, Leann Leahy, Jennifer Mason, Linda Mulroy-Bowden, Todd Riley

1. Leann Leahy reported on the Student Support services. She reported that there are 219 active students in the program now and 44 potential students could be coming next fall. Those numbers are expected to increase dramatically this spring. Students asking for books on tape have so far reached 86 requests. The Student Support Services are converting their student information from Microsoft Excel to Peoplesoft. She also reported that the website for the program has been updated with all forms available to students on line. Leann also reported that she and Becky Peters attended the AHEAD conference. The topic was on supporting veterans returning to campus. Leann also reported that the stage to support students will disabilities has been delayed and will not be available for December graduation.

2. Vickie Dreessens reported on the Student Health services. She reported that the 5 temporary scooters have been checked out all semester and there is a waiting list to use one. There have been cases of the norovirus and MRSA on campus but cases have been few. All 200 flu shots were distributed to the students. Vickie also reported that the removal of the carpet may be delayed because of the state budget situation. Vickie reported that the program has applied for an Opportunity grant for a Wellness program – 10,000 step program.

3. Deirdre Dalsing reported that the Counseling program and Student Health Services has applied for an Opportunity grant to support the Respect program began last fall.
