Members Present: Steven Benish, Deirdre Dalsing, Tim Deis, Vickie Dreessens, Chris Frayer, Linda Mulroy-Bowden, Becky Peters, Todd Riley, Lisa Schumacher, Heather Schneider, Kim Tuescher, Judy Wurtzler

• Introductions were made of the committee members.

• The committee discussed the possibility of student service projects with Lisa Schumacher.

• Vickie Dreessens gave the Student Health Services Report:
  - H1N1 Virus Report: The campus is preparing for a possible outbreak of the virus. Education is the best defense. Hand washing, hand sanitizers, self – isolation are all being used to attempt to control the spread of the virus. The Health Care center will be providing influenza clinics both for the seasonal flu shot (approximately 200 shots) and the H1N1 strain(approximately 3500 shots). Faculty members are to report when classes have over 20% of the class absent due to illness.
  - Family Planning Waiver Program: The program is still be used. This year there is a small glitch in that the processing the application is delayed by approximately three months. All applications now go to the state as opposed to the patient’s home county.

• Deirdre Dalsing gave the Counseling Services Report:
  - Student’ Promoting Respect program: Video was made over the summer and was played at new student orientation. The program is focusing on prevention of sexual assault, binge drinking and promoting respect among students.
  - Student numbers seen by counselor’s are down this fall. There does appear to be arise in the number of female students who have been treated for eating disorders.
  - National Depression Screening day is October 8th.

• Becky Peters gave the Student Support Services report:
  - Student numbers are lower this year than in the past. In 2008-2009 there were 248 students who had visas. This academic year there are 202 students with visas.
  - This year 138 textbooks were provided for students who needed the information in an alternative format.
