Minutes for Initial Student Health Committee
October 12th, 2011
12:05pm -12:50pm
Student Center
Computer Conference Room (Bear’s Den)

Minutes from last meeting were reviewed which were already approved via email in April 2011.

1) Vickie Dreessens gave the Student Health Services Report
   a) Very busy start to the school year, the new triage system is helping with managing the numbers.
   b) An on-line user survey for the Student Health Services are being used
   c) Through TSI monies there are 384 flu vaccinations available for students
   d) With the influx of new students there is a search for a nurse practitioner or physician’s assistant to provide additional support for mental health cases
   e) Intro to College classes have been given presentations about the services available to students through the Student Health Care Services
   f) The student services fee increased this past year which has helped fund involving student health care services. There may be new policies coming involving students requiring insurance policies attending UW-system schools.
   g) The Sexual Assault Awareness Council brought Josh Jasper to campus who gave a presentation on Bystander Intervention.
   h) Jason Artz as a full-time associate counselor and Erin Robbins as our LTE Counselor. Peggy Hines continues to be full-time. The search for a new director of Counseling Services is underway. The director should be hired by the beginning of second semester.

2) Becky Peters reported on Student Support Services:
   a) Large numbers of students are being seen
   b) The Writing Center needs more room
   c) Record numbers of students with disabilities are being seen

3) Future meetings for 2011 – 2012 School Year
   a) Wednesday December 14th – 12:05 – 12:50pm
   b) Wednesday February 15th - 12:05 – 12:50pm
   c) Wednesday April 11th - 12:05 – 12:50pm

Meeting adjourned at 12:50pm
