Minutes for Initial Student Health Committee  
December 14th, 2011  
12:05pm -12:50pm  
Student Center  
Computer Conference Room (Bear’s Den)

Minutes from the October 12th meeting were reviewed. Minutes will be sent to be posted Thursday Dec. 15th.

1) Vickie Dreessens gave the Student Health Services Report  
   a) Vickie handed out the results for the Student Health Services User Survey. The first 255 students were given the survey that came in to use the Student Health Services.  
   b) On February 27th 2012, Juniors will be asked to take the ACHA NCHA survey spring. This survey is typically given every other year. Pioneer points will be offered to encourage these students to take the survey.  
   c) The need for a nurse’s practitioner or physician’s assistant is still needed with the increase in the number of students using the facilities. The Student Health Services has contacted Southwest hospital and there is an agreement for each organization to share this position. The person who holds the position will spend at least two days on campus.  
   d) Over 350 free flu immunizations shots were given to students this past fall.  
   e) No report was given on the Search University Counseling Services coordinator

2) Dierdre Dalsing gave the Counseling Services Report  
   a) The number of high risk students considering suicide continues to increase. These numbers seem to have peaked in the month of November.  
   b) The Counseling Services is in the process of updating the facilities.  
   c) Colleen McCabe had suggested that workshops or webinars be offered to faculty and students on identifying mental health issues in others. The Behavioral Review and Recommendation Team will be sending out information available for help to faculty and students at the beginning of the spring semester.

3) Jon Lovett gave the Student Support Services Report:  
   a) Recently there has been an increase in the number of students seeking accommodations for their finals.  
   b) The Center for Alternative Testing will be soon run by an individual who will be paid as an LTE to run the center.  
   c) Jon shared comments from students for a survey given at the beginning of the year. This survey evaluated the Student Support Services. The comments given supported what the program is doing.

4) Linda Mulroy-Bowden gave the Student Housing report  
   a) There has been testing occurring in limited areas of concern in the dorms for mold. It appears that all levels of mold are within the acceptable levels. The final report will come out today Dec. 14th.

5) David Ratz questioned the nutritional information that are given by the food services. At the February 15th meeting, individuals from food services will be asked to attend the meeting to be able to answer questions in regard to this.

6) Future meetings for 2011 – 2012 School Year  
   a) Wednesday February 15th - 12:05 – 12:50pm  
   b) Wednesday April 11th - 12:05 – 12:50pm

Meeting adjourned at 12:50pm
