The custom payment plan is an agreement between the Agent and the undersigned Resident. Resident agrees to make payments in accordance with the plan schedule outlined above. The payment arrangement is valid for the specified semester only. Residents that do not complete a payment arrangement for subsequent semesters will be subject to the standard payment dates outlined in the Residence Hall Rental Agreement Addendum.

Resident understands that failure to make payments in accordance with this agreement is grounds for cancellation of the payment arrangement at the Agent’s discretion. In the event of agreement cancellation, the remaining balance will be due immediately. All charges for the term must be paid prior to registration for future terms. Failing to pay the charges will result in a hold being placed on resident’s university account until the balance is paid in full. Resident understands that late payments will incur late fees as listed above and outlined in the Residence Hall Rental Agreement Addendum.

Charges for supplemental services (loft rental, bike storage, etc.) are not included in the Payment Schedule. Charges for supplemental services are due at or prior to move-in.

I, the undersigned Resident, have read and agree to all terms and conditions set forth in this addendum. I understand that this addendum is part of my housing agreement, especially those areas regarding payment expectations.
