3M gives to the UW-Platteville Scholarship Program

PLATTEVILLE – 3M, of Prairie du Chien, recently gave \$3500 to the UW-Platteville Scholarship Program for Prairie du Chien High School. The University of Wisconsin-Platteville Foundation will use this gift to provide scholarships to graduates of Prairie du Chien High School who enroll at UW-Platteville.

As a supporter of this program, 3M has chosen to give back to its community, helping to ensure high school graduates of Prairie du Chien receive a college education. As to why 3M chose to support the program, Scott A. Burbach, employee relations manager, said, “3M Prairie du Chien is pleased to be able to support the scholarship efforts of the University of Wisconsin-Platteville. This is an investment in this community which is also an investment in our employees and their families. Our company has benefited greatly from the education that many of our current employees have received from UWP and we hope to continue this benefit for the current generation as well.”

Accepting the gift on behalf of the UW-Platteville Foundation, Angela Gasior said, “We really appreciate 3M taking a leadership role in establishing funds for the UW-Platteville Scholarship Program for Prairie du Chien High School. This was the first step in a continuous effort to provide scholarships for Prairie du Chien graduates and a chance for Prairie du Chien community members to support their community in a meaningful way.”

For more information about supporting the UW-Platteville Scholarship Program for Prairie du Chien High School or another UW-Platteville Scholarship Program, please
