## **Brad and Peggy Biddick give to the UW-Platteville Scholarship Program**

PLATTEVILLE – The UW-Platteville Scholarship Program gives individuals the opportunity to support graduating high school seniors attending UWP with their gift to this program. By donating to a tri-state area high school of their choice, donors allow the UWP Foundation to grant scholarships to graduating high school seniors that are accepted to UWP from high schools that are participating in this program.

Brad and Peggy Biddick, of Livingston, are pioneering the path for graduating seniors with their recent gift to the UW-Platteville Scholarship Program for Iowa-Grant High School. The UWP Foundation will use this gift to provide scholarships to graduates of Iowa-Grant High School.

As supporters of this program, the Biddicks have chosen to give back to the community where they received their educational start, ensuring that high school graduates of Iowa-Grant receive a college education. As to why the Biddicks chose to support the program, Brad stated, "We both graduated from Iowa-Grant High School." Brad and Peggy graduated from Iowa-Grant High School in 1965.
