Roman and Joan Borkovec give to the UW-Platteville Scholarship Program

PLATTEVILLE – The UW-Platteville Scholarship Program gives individuals the opportunity to support graduating high school seniors attending UWP with their gift to this program. By donating to a tri-state area high school of their choice, donors allow the UWP Foundation to grant scholarships to graduating high school seniors that are accepted to UWP from high schools that are participating in this program.

Roman and Joan Borkovec, of Sun Lakes, Ariz., are pioneering the path for graduating seniors with their recent gift to the UW-Platteville Scholarship Program for Albany High School. The UWP Foundation will use this gift to provide scholarships to graduates of Albany High School who enroll at UWP.

As a supporter of this program, the Borkovecs have chosen to give back to the community where they have educational ties, ensuring that high school graduates of Albany receive a college education. As to why the Borkovecs chose to support the program, Roman stated, “Joan taught at Albany High School. It is harder for students to receive a college education so we are happy to support them.”

Roman earned his Bachelor of Science from UWP in 1956. He and Joan are both retired teachers.
