Huff gives to UW-Platteville Scholarship Program

PLATTEVILLE – The UW-Platteville Scholarship Program gives individuals the opportunity to support graduating high school seniors attending UWP with their gift to this program. By donating to a tri-state area high school of their choice, donors allow the UWP Foundation to grant scholarships to graduating high school seniors that are accepted to UWP from high schools that are participating in this program.

William Huff, of Upland Calif., is pioneering the path for graduating seniors with his recent gift to the Huff Family Foundation Community Scholarship at Lancaster High School. The UWP Foundation will use this gift to provide scholarships to graduates of Lancaster High School.

As a supporter of this program, Huff has chosen to give back to the community where he got his educational start, ensuring that high school graduates of the Lancaster community receive a college education. As to why Huff choose to support this program, he stated, “I struggled financially to attend UWP and I have fond memories of everyone who touched my life.”

Huff attended Lancaster High School from 1949 to 1951. He graduated from UWP in 1959 with a degree in mining engineering. Huff is the owner of Huff Properties, a real estate investment company. He is involved with the UWP Foundation not only through the UW-Platteville Scholarship Program but also in establishing mining and industrial engineering scholarships for UWP students.

Among his many professional, civic and philanthropic activities, Huff enjoys to travel, fish, hunt, hike, swim and recreational gold mine.
