Jaeckle gives to the UW-Platteville Scholarship Program

PLATTEVILLE – The UW-Platteville Scholarship Program gives individuals the opportunity to pioneer the path for graduating high school seniors attending UWP with their gift to the UW-Platteville Scholarship Program. By donating to a tri-state area high school of their choice, donors allow the UWP Foundation to grant scholarships to graduating high school seniors for enrollment at UWP.

Fred Jaeckle, of Madison, is pioneering the path for graduating high school seniors with his recent gift to the UW-Platteville Scholarship Program for Verona High School. The UWP Foundation will use this gift to provide scholarships to graduates of Verona High School who enroll at UWP.

As a supporter of this program, Jaeckle has chosen to give back to a community where he has educational ties, ensuring that high school graduates of Verona High School receive a college education. As to why Jaeckle chose to support the program, he stated, “My niece coaches at Verona High School and her husband teaches there.”

Jaeckle graduated from UWP in 1967 with a degree in economics and business. He is currently the CEO of Jaeckle Wholesale Inc.
