Krohn gives to the UW-Platteville Scholarship Program

PLATTEVILLE – The UW-Platteville Scholarship Program gives individuals the opportunity to support graduating high school seniors attending UWP with their gift to this program. By donating to a tri-state area high school of their choice, donors allow the UWP Foundation to grant scholarships to graduating high school seniors that are accepted to UWP from high schools that are participating in this program.

Charles Krohn, of Williamsburg, Va., is pioneering the path for graduating seniors with his recent gift to the UW-Platteville Scholarship Program for Lancaster High School. The UWP Foundation will use this gift to provide scholarships to graduates of Lancaster High School who enroll at UWP.

As a supporter of this program, Krohn has chosen to give back to the community where he got his educational start, ensuring that high school graduates of the Lancaster community receive a college education. As to why Krohn chose to support the program, he stated, "I am a 1947 graduate of Lancaster High School."

Krohn graduated from the Wisconsin Institute of Technology in 1953 with a Bachelor of Science in civil engineering. He is a retired civil engineer.
