Ruetten gives to the UW-Platteville Scholarship Program

PLATTEVILLE – The UW-Platteville Scholarship Program gives individuals the opportunity to support graduating high school seniors attending UWP with their gift to this program. By donating to a tri-state area high school of their choice, donors allow the UWP Foundation to grant scholarships to graduating high school seniors that are accepted to UWP from high schools that are participating in this program.

Scott Ruetten, DVM of DePere, is pioneering the path for graduating seniors with his recent gift to the UW-Platteville Scholarship Program for River Valley High School. The UWP Foundation will use this gift to provide scholarships to graduates of River Valley High School who enroll at UWP.

As a supporter of this program, Ruetten has chosen to give back to the community where he got his educational start, ensuring that high school graduates of the River Valley community receive a college education. As to why Ruetten chose to support the program, he said, "River Valley High School is my alma mater."

Ruetten graduated from UWP in 1985 with a bachelor of science in animal science and biology. He continued his education at UW-Madison and received his doctor of veterinary medicine degree there in 1989. Ruetten currently is the owner and partner of DePere Veterinary Service, S.C. He lives with wife, Edie Brandt, and daughter, Katrina.
