## **Teasdale-Davis gives to the UW-Platteville Scholarship Program**

PLATTEVILLE – The UW-Platteville Scholarship Program gives individuals the opportunity to support graduating high school seniors attending UWP with their gift to this program. By donating to a tri-state area high school of their choice, donors allow the UWP Foundation to grant scholarships to graduating high school seniors that are accepted to UWP from high schools that are participating in this program.

Angela Teasdale-Davis, of Benton, is pioneering the path for graduating seniors with her recent gift to the UW-Platteville Scholarship Program for Benton High School. The UWP Foundation will use this gift to provide scholarships to graduates of Benton High School who enroll at UWP.

As a supporter of this program, Teasdale-Davis has chosen to give back to the community where she got her educational start, ensuring that high school graduates of Benton receive a college education.

As to why Teasdale-Davis chose to support the program, she stated, "This is a wonderful opportunity for me, as an academic staff member here at UWP, to give something to my home community while promoting our institution. I believe that support from others like myself, and the UWP alumni in my community of Benton, will give students even more incentive to take a look at pursuing their education here at UWP."

Teasdale-Davis graduated from Benton High School and is currently obtaining her master's degree. She works as a financial aid counselor at UWP.
