

GENERAL PARKING REGULATIONS

- Parking on grass, lawns, or any other area not specifically paved or surfaced for parking use is prohibited at all times. (Signs are not required to enforce this rule.)
- Parking is prohibited within:
 - 15 feet of a crosswalk
 - 10 feet of a fire hydrant
 - 4 feet of a driveway
- No vehicle shall obstruct access to university buildings, ramps, travel ways and disabled parking spaces or pedestrian ways. (This includes motorbikes, mopeds, and bicycles.) Vehicles may park near academic building entrances for 15 minutes or less for the purpose of loading/unloading with prior approval of University Police. Vehicles are restricted from blocking exits or preventing emergency egress from the building, or interfering with other essential building services. Vehicles are not permitted to park near residence hall entrances at any time.
- Parking is prohibited in loading zones or walks, and on sections of roads, streets and related areas designated by yellow curb markings, diagonal pavement stripes, signs or a combination.
- The operation of motor vehicles, including motorbikes and mopeds, is restricted to public streets.
- No motor vehicles, other than emergency and service vehicles shall be operated on university lawns, yards, fields, courts, walks, malls, plazas, patios, areas designated as bikeways or walk zones, or areas posted “service vehicles only.”
- No person shall stop or leave a vehicle, whether attended or unattended, temporarily or otherwise, in any of the following places:
 - within an intersection;
 - in a crosswalk;
 - on a sidewalk;
 - upon any portion of a roadway where stopping or standing is prohibited by an

official sign;

- a designated handicap parking stall unless the disabled person is actually using the vehicle and the appropriate permit or license plate is displayed;
- any posted reserved parking stall

OVERNIGHT PARKING

Parking is prohibited in all commuter and staff lots and Circle Drive from 2AM-6AM unless prior permission has been received from the University Police. Staff and students on out of town trips will be requested to park in Lot 7a.

METERED STALLS

Anyone may use a metered stall in a staff or commuter lot but the meter must be paid between 8AM-4PM, Monday thru Friday. Metered parking in staff or commuter lots is restricted between 2AM-6AM every night.

Meters by Southwest Hall and on University Plaza are enforced 24 hours, every day.

Parking permits are not valid at meters.

LONG TERM PARKING

No one may leave a vehicle in a university lot for an extended period of time unless the University Police was contacted prior to leaving the vehicle. Leaving vehicles over the holidays and semester breaks must be approved by the University Police prior to leaving campus.

ABANDONED VEHICLES

Any vehicle left unattended for 20 days or more will be considered abandoned. The vehicle may be cited, towed, stored at the owner's expense or salvaged if unclaimed.

VEHICLE REPAIR

Motor vehicle maintenance and repair is prohibited on university property except in designated areas. Used fluids are hazardous substances subject to further regulation.

DRIVING ON SIDEWALKS

Driving on sidewalks is prohibited unless you have received prior permission from the University Police.

MOTORCYCLES

Motorcycles parked in university parking lots and reserved stalls are required to have a current University Cycle Parking Permit.

MOPEDS

A moped or motorbike is a type 1 motorcycle with an engine that is 50cc or less.

- Mopeds parking on campus are required to display a current UW-Platteville Parking Permit.
- Mopeds are required to park in designated parking areas, and are not allowed to park on sidewalks or next to buildings when parking areas are provided.
- Mopeds are motor vehicles and are restricted from driving on sidewalks/malls. In addition, they are required to be properly registered.

MOTORIZED/ELECTRIC SCOOTERS

A motorized scooter is a vehicle that is designed to be stood or sat on by the operator. It has two small wheels, an upright t-shaped handlebar, and is powered by a small motor. These vehicles are considered to be “motor” vehicles in the State of Wisconsin. However, they can not be legally operated on public roads.

Unlicensed riders can be ticketed for operating without a license, operating while suspended, or operating after revocation, or other applicable motor vehicle laws.

POCKET MOTORCYCLES POCKET BICYCLES

Pocket motorcycles/bicycles can not be registered in the State of Wisconsin; therefore they can not be operated on university property, including sidewalks and parking lots. Since they are motor vehicles, operators are required to have a valid driver's license **and** motor cycle endorsement if operated in areas allowed by law.

SNOW REMOVAL

Resident Hall Lots: The Director of Housing or designee is responsible for scheduling snow removal from the residence hall parking lots. Schedules for snow removal are posted in all residence halls. Failure to move a vehicle for snow removal will result in a \$50 parking citation.

Snow Emergency for Parking Alternate Side Parking

In the event of a winter storm or a prediction of a winter storm between November 15th and April 1st, a "snow emergency" will be declared for the sole purpose of clearing streets and parking lots on campus. When a snow emergency is declared, alternate side parking will be in effect on Greenwood Ave, University Plaza, and College Drive between Greenwood Ave and Sunset Drive. Also no parking is allowed in staff, commuter, and metered lots/stalls or on Circle Drive between the hours of 2AM-6AM. These rules are strictly enforced with a minimum fine of \$50 per citation for each violation. Additional information is available at
