

## **Graduation Photographs**

Congratulations! We've arranged for two photographers from Chappell Graduation Images to be at our ceremony to take two photographs of you during your moment of recognition.

You will be notified via email as soon as the photographs are available, usually within 3 business days of your ceremony. You will also receive digital proofs in the mail five to seven days after your ceremony.

Since photographs will be available, family members and guests are encouraged to remain in their seats, relax and enjoy the ceremony.
