

SWAL Spring Conference 2001

presents

WEIRD WISCONSIN

A Journey into Alternate States of Mind

with

Richard Hendricks

The Librarian Master Mind behind the Weird Wisconsin website

Part local history archive, part fringe social history, the website attempts to record, save, and disseminate oral and written experiences centering on paranormal or weird extra-mundane encounters.

Come and be bedazzled by tales of the
Strangeness That Lurks Among Us!

You will soon learn that
Wisconsin is a very strange place!

Thursday, April 26, 2001
