PLEASE OBSERVE THE DIFFERENCE BETWEEN STANDARD AND SP 3/4" TAPE.

- **A Standard tape can be Played back and Recorded in either a Standard or SP Deck - The result will be STANDARD MODE.**
- **An SP tape RECORDED (OR BLACKED) in a Standard Machine will be in the STANDARD MODE. Can be played back in either a Standard or an SP Machine.**
- **An SP Tape RECORDED (OR BLACKED) in an SP Machine (Including the VO-8800 FIELD DECKS) will result in an SP MODE. There may be PROBLEMS when played back in a Standard machine.**
- **To DISABLE an SP Tape from Recording in the SP MODE –Place Adhesive Tape over the “Sensor Holes” on the back of the Tape.**
