LIVING ON CAMPUS
at the
University of Wisconsin-Platteville

OUR MISSION
The residence halls of UW-Platteville strive to provide safe, clean, comfortable living environments as well as opportunities for individuals to be active participants in creating respectful and responsible learning communities.

OUR STAFF
The Department of Residence Life staff intentionally coordinates weekly and monthly activities and programs to enhance the learning that takes place outside of the classroom environment.
UW-Platteville employs 12 full-time, live-in professional staff that have earned either a Master’s or Bachelor’s degree.

125 Resident Assistants and 14 Senior Assistants work together as a team of undergraduate students to serve as mentors and builders of inclusive and respectful community environments within the wings of each building.
LIFE ON CAMPUS

- Having fun
- Responsibility
- Inclusive environments
- Active community member
- Academic support
- Safety and security

UW-Platteville Residence Life staffs believe all residents have the right to be treated with respect. Our residence halls are a place for EVERYONE! The use of hateful language or actions, discrimination, or unequal treatment will not be accepted or allowed.

INCLUSIVE COMMUNITIES
Students living in the halls at UW-Platteville are responsible members of the building, as well as the University community.

The residence hall staff is committed to your academic success and plans programs on topics such as improving study skills and time management.

The residence halls at UW-Platteville provide students with an experience to create lasting friendships and memories. Staff encourage students to get involved and experience college inside and outside of the classroom.
As a department, we will communicate directly with your student in the variety of ways we have outlined. We expect students to communicate with others as well.

PACKING & WELCOME KITS
Please Pardon Our Dust
Summer is the time for us to deep clean, paint and work in our halls to prepare them for the academic year.

See You In August!
