Our instructor-facilitated online courses are informative, fun, convenient, and highly interactive. Our instructors are famous for their ability to create warm and supportive communities of learners.

Most courses run for six weeks (with a 10-day grace period at the end). Courses are project-oriented and include lessons, quizzes, hands-on assignments, discussion areas, supplementary links, and more. You can complete any of these courses entirely from your home or office and at any time of the day or night.

Start Dates:
New course sessions begin each month. Please visit our Online Instruction Center to see exam start dates for the courses that interest you.

Requirements:
All courses require Internet access, email, and Microsoft Internet Explorer or Firefox web browser. Some courses may have additional requirements. Please visit our Online Instruction Center for more information.

To request disability accommodations, contact Continuing Education at 608.342.1314.
