Credit for Life Transfer Agreement
The Association for Operations Management and the University of Wisconsin-Platteville
Master of Science in Integrated Supply Chain Management

The University of Wisconsin-Platteville Master of Science in Integrated Supply Chain Management program waives three graduate credits to those who have completed the following certification, as awarded by The Association for Operations Management (APICS):

- If a student currently holds the Certified in Production and Inventory Management (CPIM) or Certified Supply Chain Professional (CSCP) certificate they are waived from BUSADMIN 6100 Supply Chain Management.

The completion of the CPIM and CSCP in the Master of Science in Integrated Supply Chain Management equates to a three credit waiver from BUSADMIN 6100 Supply Chain Management, under the following stipulations:

1. The CPIM and CSCP certificates must be completed before the student is admitted to the MS in Integrated Supply Chain Management degree at UW-Platteville.
2. These credits are acceptable only under the Credit For Life Experience Policy at the University of Wisconsin-Platteville.
3. While completing the CPIM or CSCP students are learning the content taught in BASADMIN 6100, The content of the course focuses on:
   A. Principles and concepts of Supply Chain Management
   B. Review the role of Supply Chain Management functions within an organization
   C. Developing analytical and evaluative skills through critical examination of theories, models, tools and techniques.
   D. Covering the following topics: strategic sourcing, forecasting and collaborative planning, inventory management, customer relationship management and service response logistics.
4. This Credit for Life Agreement is valid for five years and will be reviewed for renewal five years after the date of the last signature received.
