 Entrepreneurship Courses
 Fall 2016

The minor in entrepreneurship is open to all majors. It includes non-business and business tracks, requires no prerequisites to begin the minor, and allows students elective choices to pursue their entrepreneurial interests.

Students can register now for the minor under the name "Entrepreneurship."

Courses offered in fall 2016 are:

Subj	Cat	Title	Time
ENTRP	2010	The Social Context of Creativity, Innovation, and Entrepreneurship (Gen Ed: Social Science)	W 3-5:52 p.m.
ENTRP	3050	New Venture Planning	M, W, F 11-11:52 a.m.
ENTRP	4070	Field Experience	TBD

Other entrepreneurship education opportunities beyond the curriculum minor include:

- Pioneer Launch Lab (student incubator)
- Elevator Pitch and Business Model competitions
- Networking events
- Campus Entrepreneurs' Organization

More Information:
