Transferring to a new school can bring its own unique challenges. As a transfer student, you’ve shown that you can be successful in college. PATH is here to help you continue that trend. The PATH team is committed to assisting you on your individual journey and helping you chart a pathway for success.

**PATH offers:**

- One-to-one meetings
- Individualized action plans
- A casual, comfortable place to study
- Computer work stations
- Assistance with a wide variety of topics including how to manage on campus technology

Pioneer Academic and Transitional Help Center
Helping you on the PATH towards success

One-to-one Assistance (1:1)
Stop by anytime and meet with PATH staff members to individually discuss tips for success. Popular topics include time management, optimal study skills, and connecting with campus resources.

New Transfer Student Meet and Greet
A meet and greet event is held at the beginning of each semester to welcome all new transfer students to UW-Platteville.

Student Academic Success Seminars
Held in fall and spring semesters of each academic year, peer mentors direct a series of free, one hour seminars designed to assist new students in their transition to campus. Schedule at www.uwplatt.edu/PATH/SAS.

Introduction to College Life Courses
One-credit, introductory courses cover topics specifically geared toward new student success. The introductory course options are:

- UWPStudy 1010 – Introduction to College Life
- General Engineering 1000 – Engineering Success Skills (engineering majors)
- Biology 1020 – Bioquest (biology majors)
- Chemistry 1010 – Introduction to College Life (chemistry majors)
- Ag Business 1000 – Agribusiness Professional Development I (ag business majors)

First Year Five Student Newsletter
Students new to UW-Platteville are e-mailed the First Year Five newsletter every few weeks. The e-mail provides students with tips that help them connect, learn, and succeed at UW-Platteville.
